Re: Abreu, et al v. Mattingly
Case 08-cv-535

Dear Judge Pauley:

I represent the Plaintiff in the above referenced matter. I am writing to request an adjournment of the initial conference scheduled for June 10, 2008 at 11:00 a.m. There have been no prior requests for adjournment, although the initial conference was adjourned.

I have a prior meeting scheduled for 10:00 a.m. with three Agencies of the City of New York concerning an expired collective bargaining agreement for approximately 5500 child care workers. Inasmuch as the meeting required coordinating the schedules of representatives of two unions, their attorneys, representatives of three employee benefit funds, and representatives of three city agencies, it would be extremely cumbersome and disruptive of the collective bargaining process to attempt to reschedule this meeting. Moreover, counsel for Defendant, David Rosinus, is out of the office this week, which made it impossible for us to prepare the Rule 26(f) report seven days in advance of the conference. Mr. Rosinus, therefore, joins in the request for an adjournment.

We are both available on June 19 and 20 to reschedule the conference.

Thank you for your attention to this matter.

Very truly yours,

Thomas M. Murray

*Application granted.
